

## Water Safety Month 2023

Water Safety starts with Safe Water

In the Aquatics world May is marked as Water Safety Month. This is the month that: Most seasonal outdoor pools open, most Aquatics training occurs, and we prepare for the swim season!

This year during the month of May we are concentrating on **pool chemistry** and **chemical safety**.

VivoAquatics is here to support you by offering opportunities all month to help you get ready for the busy summer.

During the month of May, we will be offering virtual training sessions, educational emails, specific Water Safety Month tab on the knowledge base, and virtual sessions with AquaStar and Orendia.

### Vivo is here to help:

- Be your Aquatics experts
- Resource for industry standards
- Equipment sourcing
- Technician partner
- Drive best practices
- Support your chemical controller

There is no doubt that water safety starts with safe water, therefore you as pool technicians, engineers and supporters are a vital part of Water Safety Month. The Aquatics industry is predicting this to be the busiest pool season yet and VivoAquatics wants to do everything we can to make it as safe as possible. Please Join us this month in celebrating how great Water Safety is!

This months Water Safety Topics include:

- ✓ Testing & Basic Chemical usage
- ✓ Ancillary Chemical usage
- ✓ Recreational Water Illnesses
- ✓ VGB
- ✓ Chemical Safety
- ✓ Controller Training
